

Science Inspiration Scholarship Fund

Group Scholarship Application

The Air Zoo is committed to strengthening southwest Michigan’s educational landscape in a unique and hands-on way that will ignite young minds of today and inspire tomorrow’s technological workforce. The Air Zoo’s Science Inspiration Scholarship Fund enables the Air Zoo to provide low- to no-cost STEAM (science, technology, engineering, arts and mathematics) programming to low-income schools and agencies that serve youth ages 4-18 (Pre-K and K-12th grades). Scholarship applications must be completed by 5PM on the dates indicated to be considered for a scholarship in that academic year. For questions, please email Scholarships@AirZoo.org.

Authorization

The Air Zoo's Science Inspiration Fund is made possible through the generous contributions of individual donors, organizations and foundations, including the Irving S. Gilmore Foundation, the Perrigo Company Charitable Foundation and the Stryker Corporation. If selected to receive funding through the Air Zoo's Science Inspiration Fund, you will be required to complete and return a survey evaluating your experience. This information will be shared with our funders and donors and will assist the Air Zoo in providing the best STEAM education experience possible. Failure to complete a post visit survey may affect future scholarship eligibility.
