ABOUT

ST. LOUIS UNION STATION

A National Historic Landmark, St. Louis Union Station at 1820 Market Street in downtown St. Louis opened to the public on September 1, 1894. At its height, the station was the world's largest and busiest railroad station. Today visitors can stay at the station's Curio Collection hotel by Hilton and explore the \$187 million entertainment complex – home to the new St. Louis Aquarium, The St. Louis Wheel, restaurants, outdoor event space, and a lake with a daily fire and light show.

ABOUT

LODGING HOSPITALITY MANAGEMENT

Established in 1986, Lodging Hospitality Management (LHM) is an independently owned and operated lodging and hospitality management company. The largest privately held hotel company in the St. Louis region with 5,000 guest rooms, LHM has expanded its portfolio over the past 30 years to include 17 hotel properties including upscale, independent and brand-affiliated hotels, eight restaurants and two commercial properties.
